**Conterra Ultra Broadband, LLC and Conterra Wireless Broadband, LLC Statement
Regarding Customer Proprietary Network Information (CPNI) Operating Procedures**

Conterra Ultra Broadband, LLC and Conterra Wireless Broadband, LLC (collectively "Conterra"), in accordance with section 64.2009(e), submit this statement summarizing how Conterra's operating procedures are designed to ensure compliance with the Commission's CPNI rules. Each company provides exclusively broadband (backhaul) services to schools and libraries and other carriers. This statement summarizes the procedures that each company has implemented to safeguard the CPNI of its respective customers.

Conterra values its customers' privacy, and takes measures to ensure that it protects CPNI. It is Conterra's policy to protect the confidentiality of its customers' information. Conterra does not use, disclose, or permit access to its customers' CPNI except as such use, disclosure, or access is permitted under Section 222 of the Communications Act of 1934, as amended, and the Commission's implementing rules.

As necessary, Conterra may use CPNI for the permissible purposes enumerated in the Act and the Commission's rules, including, but not limited to, initiating, rendering, billing, and collecting for telecommunications services. The company also may use CPNI to protect its rights or property.

Conterra has a process in place for verifying its customers' identity during an in-bound call. Conterra does not release call detail information during an in-bound call.

Conterra trains its personnel in the use of CPNI. Conterra has an express disciplinary process in place for violation of the company's CPNI policies.

Conterra does not use CPNI to market products and services to customers outside of the category of service to which the customer already subscribes. Conterra also does not share CPNI with its affiliates or third parties for marketing purposes. If, in the future, Conterra seeks to use CPNI for these purposes, then it will provide the appropriate notice to customers and will maintain a list of customer preferences. Conterra also will maintain a record of any marketing campaign in accordance with the Commission's rules.

Conterra takes reasonable measures to discover and protect against attempts to gain unauthorized access to CPNI. Conterra has practices and procedures in place to notify law enforcement, and customers, if permitted, of a security breach that result in the unauthorized access to, use, or disclosure of CPNI. Conterra will maintain a record of the notification in accordance with the Commission's rules.

The Company does not have any information outside of the information filed in Docket No. 96-115 or that is publically available regarding the processes that pretexters are using to attempt to access CPNI. The Company has taken steps to protect CPNI, which are described throughout this document.

Conterra has designated an officer, as an agent for the company, to sign and file a CPNI compliance certificate on an annual basis.
